

Virtual employee parking permits available beginning Oct. 1

Posted by Deanne Puca for Parking

WMU Parking Services will be switching to a fully virtual employee parking permit available beginning Thursday, Oct. 1, at the Parking Services website by clicking the Get a Permit tab. Permits for 2019-20 expire Saturday, Oct. 31. As in the past, virtual permits may only be used by the employee it is registered to. Hang-tags and sticker permits may still be available pursuant to collective bargaining agreements, and requests can be made by emailing Parking Services at parking@wmich.edu.
